

Revved Up Wishes Foundation Overview

Our History

Revved Up Wishes Foundation was founded by **Aziz and Dr. Michelle Elia**, who transformed their passion for exotic automobiles into a mission of creating unforgettable experiences for children facing serious illnesses. Today, the Foundation brings together volunteers, businesses, and the automotive community through charitable events, ride experiences, and interactive car shows where guests can even sit behind the wheel of extraordinary vehicles.

Our Mission

- Create unforgettable experiences for children facing serious illnesses.
- Unite the automotive community to bring hope, joy, and lasting memories.
- Support local charities through collaborative events and partnerships.

Vehicle Ownership & Financial Transparency

- The exotic vehicle collection is **privately owned by Aziz and Michelle Elia**.
- Revved Up Wishes **does not own, purchase, or maintain** the vehicles.
- The Elia's donate the use of their personal collection to support the Foundation's mission.
- Funds raised support charitable programs, children's experiences, community outreach, event operations, and partnerships with other nonprofit organizations.

Tax Status

- IRS-recognized **501(c)(3)** public charity.
- Donations are tax-deductible as permitted by law.

Funding Sources

Revved Up Wishes is funded through:

- Individual donations
- Corporate sponsorships
- Charity events
- Merchandise sales
- In-kind donations
- Community partnerships

Our Commitment

Every dollar entrusted to Revved Up Wishes supports experiences and programs that benefit children, families, and community partners. While our events showcase spectacular automobiles, our true purpose is creating hope, joy, and lasting memories for those who need them most.
